

BAR MENU

WELCOME TO DSTRCT — WHERE FUN MEETS BUZZ!

Here you'll find bowling for show-offs and total flops, escape rooms for people who voluntarily go to jail, mini golf for the patient ones, and arcades for everyone who still thinks they're 12. Doesn't matter if you win or embarrass yourself – the bar saves the night!

Company party? Birthday? Perfect! Here you can do some “team building” with your colleagues (a.k.a. getting smashed together) or celebrate a birthday that will go down in history – or be totally forgotten.

By the way, which one of you is the fastest around here?

GOOD EATS

THE DRINK YOU MAY NOT NEED, BUT TOTALLY WANT

Our cocktails are like Vienna in winter – gorgeous at first, then bitter cold, and at some point you ask yourself why you’re doing this to yourself again.

But don’t worry – unlike the GIS license fee, these drinks are actually worth it!

SPECIALS – € 14.9

Glam & Slam.

PORNSTAR MARTINI

So seductive and smooth, it makes you think you're in control – just like your first “I'll just try trading stocks real quick” moment.

BRAMBLE

Fresh, playful, and makes you happy – just like the honeymoon phase, right before you start arguing about the toothpaste tube.

RASPBERRY MOJITO

Starts fizzy, then surprisingly soft – like a romance that kicks off strong and suddenly ends with “let’s just be friends.”

LIQUID TIRAMISU

Tastes like love, feels like a warm hug – and hits you the next morning like a toxic relationship.

BERRY BASIL SMASH

Sounds healthy, tastes amazing, and gives you the illusion that your life’s together – right before you Google “how to file taxes.” Sounds healthy, tastes amazing, and gives you the illusion that your life’s together – right before you Google “how to file taxes.”

SPICY MANGO MARGARITA

Starts sweet, then a fiery punch to the gut – like a call from your boss starting with “Got a sec?”
